Crysis 2, this time far less impressively, with a single  
map in which you visit a destroyed city. Upping the  
ante, however, is the notorious protagonist of the  
game: The Prophet, who's currently at the helm of  
his armoury, the ASAT System. As it would be, the  
character who caused a lot of controversy in the  
original, because he's said to be based on a real  
person. Crysis 3's single-player campaign takes  
place across five locations, although the only in-  
game ones we've seen in the past has been the two  
main areas. Look forward to seeing the rest of the  
map though. The campaign was in alpha for a few  
years, but over the last year its developers, Crytek,  
have been taking this time to polish it and improve  
the multiplayer maps. It will be out in February  
2012, which sounds more than feasible.The cost of  
adapting to climate change is estimated to be US\$4  
trillion to \$7 trillion, with a total annual cost of  
nearly \$1 trillion in lost economic activity. The

Intergovernmental Panel on Climate Change - the United Nations Environment Programme (UNEP) group that produced the report - says adaptation is the "price to be paid" for limiting the impact of climate change. The report says warming will result in \$US140 billion to \$US220 billion in economic losses in Asia and the Pacific - more than those in other parts of the world. "Climate change is happening much faster than we expected, and the consequences are likely to be far higher than we thought," said Achim Steiner, executive director of UNEP. "We need to act on adaptation now to ensure that the losses we've seen so far are the worst cases and
